ABOUT AQAI SPORTWEAR

- **A Symbol of Trusted Quality**

Welcome to **AQAI SPORTWEAR**, a name synonymous with premium sportswear, casual fashion, and uncompromising quality. Since **1980**, our founder, **Mr. Waqas Shahid**, has dedicated his vision and expertise to building a brand recognized for excellence, integrity, and superior craftsmanship.

- **Our Legacy**

1. For more than four decades, AQAI SPORTWEAR has proudly upheld its founding values through ethical business practices, continuous innovation, and consistent global performance. What began as a single vision has evolved into a trusted manufacturer of premium-quality textile garments, serving both domestic and international markets with distinction.
 2. Today, AQAI SPORTWEAR continues to deliver products that combine modern design, exceptional comfort, and long-lasting durability, earning the confidence of customers around the world.
-

- **Our Mission**

Our mission is to lead the textile and sportswear industry through continuous innovation, advanced manufacturing, and outstanding product quality. We strive to exceed customer expectations by creating apparel that delivers superior performance, comfort, style, and value.

- **Our Vision**

Our vision is to become one of the world's most respected garment manufacturers, recognized for exceptional quality, reliable service, and complete customer satisfaction. We aim to establish AQAI SPORTWEAR as a globally trusted brand in sportswear and casual apparel.

- **Our Core Strengths**

1. **Premium Fabric Selection**

2. We offer an extensive range of premium knitted and woven fabrics designed to provide maximum comfort, durability, and performance.

3. **Innovation & Design**

4. Our experienced designers and technical professionals continuously develop modern styles that meet evolving market trends and customer requirements.

5. **Research & Development**

6. Through advanced technologies and continuous research, we enhance product quality, improve manufacturing processes, and introduce innovative apparel solutions.

7. Large-Scale Manufacturing

8. Our modern production facilities enable us to efficiently manage high-volume orders while maintaining consistent quality and timely delivery.

• Quality Assurance

Quality is at the heart of everything we produce. Every garment undergoes strict quality control procedures throughout the manufacturing process. Our commitment to excellence is reinforced through **ISO 9001:2000 Certification**, ensuring international standards of quality, reliability, and customer satisfaction.

• Our Commitment

1. At AQAI SPORTWEAR, we believe exceptional apparel is created through the perfect combination of innovation, craftsmanship, and attention to detail.
2. From premium cycling wear and performance jerseys to sports jackets, track jackets, performance T-shirts, trousers, and customized teamwear, every collection is engineered to provide outstanding comfort, durability, and style.
3. We remain committed to delivering products that empower athletes, teams, businesses, and individuals with apparel they can trust—every day, everywhere.
